

Holt WI

Holt ladies returned this month from their summer break to enjoy a social evening at our President's house. Apart from some amusing rounds of stand-up Bingo, we used the opportunity to look back over the hot weeks of July and August. The visit by a dozen members to the Bonterre project resulted in some fabulous displays of flowers, some made by very amateur hands, and a welcome update as to how this project is expanding. Not to mention the scones, cream and three sorts of home-made jam!

As ever, the WODY's performance of *Seven Brides for Seven Brothers*, at the Swan Theatre, was memorably polished, a real joy to watch. Further afield, members have enjoyed holidays in various destinations abroad, as well as staycations in the Mediterranean climate of Worcestershire this year.

Plans are underway this autumn for a canal trip in the basin at Stourport, a visit to Chester, a visit to Llandrindod Wells and another theatre trip, this time to see Monty Python's *Spamalot*. Many of the members are busy sewing, knitting and crocheting poppies for the three villages Remembrance Sunday commemorations in Hallow, Grimley and Holt Heath and the early stages of preparations for our 100th birthday next year are being mapped out. We are looking forward to a speaker (with demonstrations) on chocolate next month and our AGM in November.

We meet in Holt Village Hall on the first Thursday of the month at 7 pm. Why not pop along as a visitor and try it out on October 4th?
